Cheat Sheet

5-Day Study Plan for Dental Resin B2B

WhatsApp / LinkedIn / Email | Middle East & GCC

RoHS 2.0

CMA/CNAS

50+ Countries

Factory Direct

OEM Ready

- | | | |
|---|---------------------|------------------------------|
| 1 | Product + Specs | Describe D01S in 30 seconds |
| 2 | Business + Chain | Negotiate price & orders |
| 3 | Trust + Credibility | Build factory confidence |
| 4 | Soft Skills | Follow up. Handle rejection. |
| 5 | Real Scenarios | Meetings & WhatsApp |

How to: One day at a time. Read out loud. Review yesterday before starting today. By Friday, send a real message to a real client.

1 Product & Technical Specs

Goal: Describe D01S clearly in 30 seconds | Time: ~20 min

Product Words

resin

树脂

We make photopolymer resin for 3D printing.

dental model

牙科模型

D01S is our best-selling dental model resin.

scan-ready

免喷可扫

Models print scan-ready, no spray needed.

Shore D hardness

肖氏 D 硬度

D01S is 92 Shore D – hard and wear-resistant.

dimensional stability

尺寸稳定性 Models stay accurate for 28+ days.

accuracy / tolerance

精度 / 公差 Accuracy is +/- 0.05mm.

curing / post-curing

固化 / 后固化 Post-cure 2-4 min under UV.

batch consistency

批次一致性 Every batch ships with a QC report.

Spec Words

tensile strength

抗拉强度 62.3 MPa – very tough for a model resin.

flexural strength

抗弯强度 80.4 MPa – holds shape under load.

elongation at break

断裂伸长率 17.88% – can flex before breaking.

impact strength (IZOD)

冲击强度 34.7 J/m – handles drops and bumps.

viscosity

粘度 864 mPa.s – flows well, easy to print.

water absorption

吸水率 1.07% over 24hr. Not for underwater use.

UV wavelength

紫外波长 385-405nm. Works with all major printers.

Product Intro

D01S is our dental model resin. It prints scan-ready, no spray needed.

D01S 是我们的牙科模型树脂。免喷就能扫。

Accuracy is +/- 0.05mm. Models stay stable for over 28 days.

精度 +/- 0.05mm。模型 28 天后仍然稳定。

It works with all 385-405nm LCD/DLP printers.

兼容所有 385-405nm LCD/DLP 打印机。

92 Shore D. Models survive repeated try-ins without wearing down.

92 Shore D。反复试戴模型不磨损。

Drill: Say "D01S is our dental model resin, scan-ready, 92 Shore D, +/-0.05mm" 10 times out loud.

Order & Money

sample

样品 I can send you a free sample. No commitment.

TDS (Technical Data Sheet)

技术参数表 I will send you the TDS now.

MOQ

最小起订量 First trial order: just 10kg.

lead time

交期 3-5 working days for standard orders.

FOB price

FOB 价 We quote FOB Shenzhen.

shipping / freight

运费 / 物流 To Dubai: about 7-10 days via DHL.

bulk order

大货 / 批发 Bulk orders get better pricing.

trial order

试单 Start with a trial order. No risk.

Supply Chain

manufacturer

制造商 / 工厂 We are a manufacturer, not a trading company.

distributor

经销商 We are looking for a GCC distributor.

sole distributor

独家经销商 Exclusive rights available for UAE.

OEM / private label

贴牌 Your brand on our bottles. Yes we can.

wholesaler

批发商 Wholesaler pricing at 50kg+/month.

agent

代理商 We work with local agents in each market.

logistics

物流 DHL/FedEx for samples. Sea freight for bulk.

Business Sentences

We are a factory, not a trading company. You deal directly with the source.

我们是工厂，不是贸易公司。你直接对接源头。

Our pricing is factory-direct. No middleman markup.

工厂直供价。没有中间商加价。

For your first trial order, I can offer a special price.

首单试单可以给优惠价。

We offer OEM and private label. Your brand, our quality.

我们做贴牌。你的品牌，我们的品质。

Drill: "We are a manufacturer. Factory-direct pricing. OEM available. Free sample. Want to try?" – 10-second pitch.

3

Trust & Credibility

Goal: Build confidence with your factory story | Time: ~20 min

Trust Words

factory-direct

工厂直供

Factory to your door. No middleman.

in-house manufacturing

自主生产

We control everything in-house.

RoHS 2.0 compliant

RoHS 2.0 合规

All resins are RoHS 2.0 compliant.

CMA / CNAS tested

国家级实验室检测

Tested by accredited labs.

export to 50+ countries

出口 50+ 国家

We ship to over 50 countries.

consistent quality

品质稳定

Same quality. Every batch. Every time.

10 years R&D

10 年研发

10 years of resin formulation.

35+ formulations

35+ 配方

35+ resin types for different needs.

Customer & Market Words

dental lab / laboratory

牙科技工所

Our main customers are dental labs.

aligner manufacturer

隐形牙套厂

Aligner makers use D01S for models.

dental clinic

牙科诊所 Clinics with in-house 3D printers.

end user / end customer

终端用户 The end user is a dental technician.

B2B

企业对企业 We are B2B. Not direct to patients.

procurement

采购 Can I speak with procurement?

supply chain

供应链 Full supply chain from factory to your door.

Credibility Sentences

We have been making resins for 10 years. Over 35 formulations in-house.

我们做树脂 10 年了。自研 35+ 配方。

Our resins are RoHS 2.0 compliant and CMA/CNAS tested.

通过 RoHS 2.0, 有 CMA/CNAS 国家级实验室检测报告。

We export to over 50 countries. Consistent quality, every shipment.

出口 50+ 国家。每批品质如一。

You are welcome to visit our factory in Shenzhen anytime.

随时欢迎来深圳工厂考察。

Drill: Replace "trust me" with "RoHS 2.0, CMA/CNAS tested, 50+ countries." Let certs speak for you.

4 Soft Skills

Goal: Follow up naturally and handle rejection | Time: ~20 min

Follow-up Words

follow up

跟进 Just following up on the sample I sent.

on your radar

在你考虑范围内 Is D01S still on your radar?

no rush

不急 No rush at all. Take your time.

fit / good fit

合适 / 匹配 Is D01S a good fit for your lab?

evaluate / test

评估 / 测试 Test it against what you currently use.

feedback

反馈 Any feedback on the sample?

adjust / tweak

调整 Happy to adjust the formula if needed.

long-term partner

长期合作伙伴 We see you as a long-term partner.

Payment & Customs

customs clearance

清关 We handle all export documentation.

incoterms (FOB/CIF/EXW)

贸易术语 We usually quote FOB Shenzhen.

payment terms

付款条件 30% deposit, 70% before shipment.

TT / LC

电汇 / 信用证 We accept TT and LC at sight.

PI (Proforma Invoice)

形式发票 I will send the PI once confirmed.

inventory / stock

库存 We keep 5 tons in stock. Ready to ship.

warranty / guarantee

质保 / 保障 Quality guaranteed. Full refund if not satisfied.

Soft Skill Sentences

Just checking in – did you get a chance to look at the sample?

就问问——你有空看了样品吗？

No rush. If the timing is not right, totally understand.

不急。如果时机不对，完全理解。

Test it against what you are using now. If not better, you lose nothing.

跟你现在用的对比。不如的话，没有任何损失。

No problem at all. If anything changes, happy to reconnect.

完全没问题。以后有需要随时联系我。

Drill: Every "no" gets you closer to a "yes". Stay polite, stay memorable. Best follow-up: "Just checking in."

5

Real-World Scenarios

Goal: Handle exhibitions, meetings, WhatsApp inquiries | Time: ~25 min

Advanced Tech Words

shrinkage

收缩率

Low shrinkage = better dimensional accuracy.

cure depth

固化深度

Cure depth affects layer adhesion.

exposure time

曝光时间

Longer exposure = harder but more brittle.

light-off delay

静置时间

Add 1.5s rest time for thick resins like F39.

lift speed

抬升速度

Slow down lift speed for flexible resin.

support density

支撑密度

F39 needs 80-95% density. Standard: 40-60%.

warping

翘曲

Uneven curing causes warping. Cure both sides.

shelf life

保质期

12 months. Store cool and dark. Shake before use.

Exhibition & Meeting Q&A (10 pairs)

Where is your factory? - Shenzhen. You are welcome to visit.

工厂在哪? ——深圳。欢迎来厂考察。

What certifications? - RoHS 2.0 compliant. CMA/CNAS tested.

有什么认证? ——RoHS 2.0, 国家级实验室检测。

Can you do OEM? - Yes. Your brand on bottle and packaging.

能做贴牌吗? ——可以。瓶身包装都打你们的品牌。

What is the MOQ? - First trial: 10kg. Bulk at 50kg+.

起订量多少? ——试单 10 公斤。大货价 50 公斤起。

How long is lead time? - 3-5 working days. Bulk 7-10.

交期多久? ——常规 3-5 天。大货 7-10 天。

How do you ship? - DHL/FedEx small. Sea freight bulk.

怎么发货? ——小单快递。大货海运。

Can I get a sample? - Free. Send me your address.

能寄样吗? ——免费。地址发我。

What printers? - All 385-405nm. Phrozen, Elegoo, Anycubic...

兼容哪些打印机? ——385-405nm 全兼容。

How vs [competitor]? - Test side by side. No risk.

跟竞品比? ——并排对比。零风险。

What is the price? - Depends on quantity. Let me quote.

多少钱? ——看量。我发报价。

WhatsApp Quick Templates

First follow-up: "Hi [Name], this is Jenson from RESIONE. We spoke on LinkedIn about D01S dental resin. Just following up – let me know if you would like a sample."

Tracking number: "Hi [Name], tracking: [number]. Should arrive in ~7 days. Let me know how it prints!"

After sample: "Hi [Name], any feedback on the sample? Happy to adjust anything."

After silence: "Hi [Name], just checking in – did the sample print OK? No rush."

5-Day Recap

Day 1	Product + Specs	Describe D01S in 30 seconds?
Day 2	Business + Chain	Negotiate price. Explain OEM.
Day 3	Trust + Credibility	Tell your factory story with confidence.
Day 4	Soft Skills	Follow up. Handle a "no" like a pro.
Day 5	Real Scenarios	Handle a booth visitor. WhatsApp cold inquiry.

After Day 5: Send a real message to a real prospect. No more practicing. Go.
